(Here is a reflection upon our communal worship)

“Each church gathers regularly to praise and thank God,
to remember and make present God’s great deeds,
to offer common prayer,
to realize and celebrate the kingdom of peace
and justice.
That action of the Christian assembly is liturgy.”

Diocese of Providence
Ordination to the Priesthood
Saturday, June 30, 2018 10AM
"Priesthood Ordination of Rev. Mr. Phillip Dufour" Cathedral of SS. Peter & Paul
Please pray for vocations to the Priesthood and Religious Life!

It was with great pride and joy that I witnessed the procession of graduates at the Commencement Exercises for Lincoln High School, LaSalle Academy and Bishop Hendricken High School. The look of joy in a job well done and the hope of a bright future on the faces of our young parishioners who were part of the ‘Class of 2018’ was priceless. That joy and hope should be an experience for all of us. I share the beginning and ending of a Prayer/Poem by Andrew Costello, for our Graduates and our selves to ponder:

“Lord, we congratulate our graduates but we also challenge them—because this moment is just one more step in your great purpose: to make life that much sweeter and graceful for one another………………

Graduations are a moment—just a moment—but a somber and serious moment to reflect upon the past—amazed how I got this far—grateful to parents, teachers, friends and so many others who helped—and then to look into the future, moving forward as God’s good servants—always trying to make life that much sweeter and graceful for each other. Amen.

Congratulations! May God Bless our Graduates with a future of peace and success!

Happy Fathers’ Day!

On this Father’s Day I share this quote by Pope Francis. As a side note I just wanted to let the Parish know that the Pope and I have become very friendly. He even allows me to drive him around town. Keep an eye open for Pope Francis in my back seat. Here’s what the Pope said about fatherhood:

“To be a good father, the first requirement is to be present in the family…..To be close to the children as they grow: when they play and when they make efforts, when they are carefree and when they are distressed, when they dare and when they are afraid, when they make missteps and when they return to the right path. A father must always be present, but being present is not the same as controlling. Fathers who seek to control end up stifling their children; they do not let them grow.”
