The Mystery of Christmas  
by Fr. Larry Richards

WINTER SNOW NOTICE  
On a Tuesday or Thursday when it is announced that schools are closed then please assume that there will be no 7PM Mass that evening.

The Wisemen followed the star and found the Lord, Jesus Christ. May we always follow the star of Christ throughout the New Year.

Almighty God, whose Son our Savior Jesus Christ is the light of the world: Grant that thy people, illumined by thy Word and Sacraments, may shine with the radiance of Christ’s glory, that he may be known, worshiped, and obeyed to the ends of the earth. (Epiphany Collect)

A star burned in the sky more brightly than all the others; its light was indescribable, its newness marvelous, and all the other stars, along with the sun and the moon, formed a chorus around this star, the light of which reached farther than that of any other...Then all magic was destroyed, and every bond wrought by wickedness was broken, and the ancient kingdom was razed. When God appeared in human form to bring the newness of eternal life, his counsel began to be fulfilled. (Ignatius of Antioch, Second Century)

Merry Christmas!
