Dear Parishioners of St. James Parish

It is my great desire to return to public worship at St. James Church on the feast of Pentecost and we will do so on that feast of the Holy Spirit, but I wanted to highlight some guidelines that we will be following to ensure the physical safety and peace of mind for all parishioners of St. James Church. We are adhering to the directives of the Diocese of Providence and the directives of the State of Rhode Island.

* To assist in prayerful social distancing we have taped off every other pew. So a pew that is taped off is one that you should not enter. This is to give space and distance between the worshipers.

* The number of people that will be allowed to enter St. James Church for a mass has been set at 150 people.

* All parishioners will be required to enter St. James Church through the center front door. Parishioners may exit by any door but entrance is only by the center front door. We will have hand sanitizing dispensers at the vestibule of St. James Church for parishioners use. Parishioners may also use their own personal hand sanitizing solution, but all parishioners will be expected to sanitize their hands immediately upon entry to the St. James Church.

* Please remember that Bishop Tobin has continued to dispense everyone in the Diocese of Providence from the obligation to attend Sunday Mass and Holy Day Masses until further notice. So if you are hesitant due to underlying health conditions to attend or display any symptoms you should not attend the celebration of Mass at St. James.

* Parishioners will be required to wear a face mask for the duration of the celebration of Mass, with the exception of receiving Holy Communion.

* One of the differences that you will notice at this time of the COVID-19 pandemic is that hymnals, missalettes, bulletins and holy water have all been removed from the church.

* Please remember that we continue to live stream all our celebrations of Mass on the St. James Faith Formation Facebook page. Also keep in mind that it is not necessary to receive Holy Communion at every Mass. If you are concerned or apprehensive about receiving, then please enter into a ‘spiritual communion’ with the Lord.

Sincerely yours in Christ,
Rev. Thomas J. Ferland
Pastor, St. James Church

How do I make a Spiritual Communion?

Below are recommendations for how to make a ‘spiritual communion’ when unable to participate in the Holy Sacrifice of the Mass. These are only recommendations and can always be adapted based upon personal needs.

Gather with others in your household and begin a time of prayer with the sign of the cross.

Take time to read and reflect upon the readings from Sunday Mass. The readings are available at uccc.org and a Sunday Gospel reflection can be found at the same website or during Lent at dioceseofprovidence.org

Share prayer intentions quietly or aloud.

Pray the Lord’s Prayer.

Pray the following prayer of spiritual communion (see below).

Close with the sign of the cross.

Spiritual Communion Prayer

My Jesus, I believe that you are present in the Most Holy Sacrament.
I love you above all things and I desire to receive you in my soul.
Since I cannot at this moment receive you sacramentally, Come at least spiritually into my heart.
I embrace you as if you were already there if only I were worthy of it.
Never permit me to be separated from you.
Amen.

The church doors are open at St. James Church from 8:00am - 2:00pm daily for individual prayer.

Please remember to practice social distancing when you visit.

- POPE FRANCIS -
Returning to Mass in time of COVID-19

"We don't know the details of the future, but we know that our lives will not end in emptiness and frustration ... Because we have hope, we live differently. Because of our hope, we will learn from the past, and will embrace the future with a renewed confidence and a joyful, invincible spirit."
—Most Rev. Thomas J. Tobin, D.D., Bishop of Providence

The advent of the novel coronavirus has marked our community substantially over the past two months. Whether directly succumbing to the disease it causes, or experiencing its far-reaching economic and emotional effects, all of us have been affected in some way. In an effort to protect the health and safety of our local communities, especially vulnerable populations, Bishop Tobin suspended the public celebration of Mass in March. This was a painful, but necessary decision in view of the common good. As the state begins its phased approach to re-open sectors of our community, the public celebration of Mass will resume on May 30, 2020, the Vigil of the Solemnity of Pentecost. This is a joyous moment for our local Church as we gather again as the Body of Christ. Resuming the public celebration of Mass will look differently than before, given the recommendations of health experts. The following points highlight some of these changes.

1. Catholics will continue to be dispensed from Sunday Mass and Holy Day Masses
While public Masses will resume, vulnerable populations, the elderly, and those with underlying health conditions are asked to follow the most up to date health regulations and remain at home. There are many who might feel uncomfortable returning to Mass. They, too, have legitimate reason to remain at home. Bishop Tobin has extended the dispensation from the obligation to attend Sunday Mass and Holy Day Masses until further notice.

2. Access to Mass will be limited
In order to prevent risk of infection, attendance at Mass will be limited to a percentage of the church's capacity as specified in the fire code. Some parishes will request a "reservation" or ticket system, or find ways to split up parishioners alphabetically in as equitable a manner as possible.

3. Hand hygiene and masks are key
Parishioners will be expected to sanitize their hands immediately upon entry to the church. Likewise, they must wear a mask at all times, with the exception of receiving Holy Communion.

4. Pews will be sectioned off
In order to maintain six feet distance between parishioners, parishes will mark off sections of pews where parishioners can safely sit.

5. Singing will be limited
Because of the risk of infection due to increased aerosolized particles, singing must be limited. Hymnals will be removed from churches.

6. Parishioners will receive Holy Communion in a safe manner
Parishioners will take off their masks to receive Holy Communion, but the priest or other minister may wear a mask when distributing Holy Communion. The priest or other minister will always sanitize his hands before this time, and whenever he accidentally comes into contact with a person. Parishioners are encouraged to receive Holy Communion on the hand; but another option would be to refrain from receiving Holy Communion and make an act of spiritual communion instead.

7. The church will be sanitized after every Mass
To ensure everyone's safety, parish staff or volunteers will sanitize commonly touched surfaces and pews before and after every celebration of Mass.

8. Budget envelopes will be submitted prior to Mass or as you leave
Instead of "passing the basket," a secure receptacle should be available so parishioners can drop off their budget envelopes before or after Mass.

9. Avoid personal contact with anyone
The sign of peace remains suspended; physical contact must be avoided at all costs.

10. Those who are sick must stay home
Anyone who has symptoms of any sickness (even mild symptoms) may not attend the public celebration of Mass.
